

100 Days of April-May (An April-May Book)

April-May is back, and this time she's brought friends! April-May is back for another year at Trinity College, and she still hasn't changed her socks. Sebastian, aka Edward, aka the boy with the lime-green eyes, is still drop-dead gorgeous and totally bad news. But then Fatty turns up. A giant of a boy who eats stew sandwiches and cries when no one's looking. And he's best friends with Sebastian. Awkward. Juggling the evil teacher Mrs Ho as her new live-in mom, along with a new brother (the devious Sam Ho), and a house with half a roof, April-May's life is as much of a mess as the crummy extension Fluffy is building out back. Before she knows it April-May is in an all-night dance-off and she's adopted a dog called Alistair. The less said about him the better. No wonder April-May is in counselling. It's a shame that she's the one giving all the guidance. 100 DAYS OF APRIL-MAY is the hilarious one-eyebrow-raised sequel to A MONTH WITH APRIL-MAY as she finds love, loses a dog and wins the World Cup.
