

Above And Beyond (Brown, Sandra)

A New York Times Bestselling Author
The letters Kyla sent to her husband, Richard, stationed a world away, spoke of a love that stretched across the ocean and held the young couple together. But tragedy ended their marriage too soon, leaving Kyla a widow with a newborn son. Richard left behind only a metal box filled with his wife's declarations of true love, carried home by his best friend Trevor Rule. With each letter Trevor read, he fell more in love with the gentle, passionate woman who had penned them.
