

La niebla apestosa (Primeros lectores: Enigmas) (Spanish Edition)

This boldly illustrated series for beginning readers features simple but imaginative stories with a twist: in order to reach the ending, both the protagonist and the reader will have to solve a mystery. Each book includes a bookmark with a mystery for children to solve on it. Bernardo is a young prince whose father's kingdom has been invaded by a fog of terrible odor that is slowly killing all of the plants and forcing out all of the animals. While his older brothers set off to find countries to invade or allies to aid them, Bernardo raids the castle kitchen for the longest sausage he can find one of his favorite foods and a useful remedy for nausea. With the sausage strapped to his belt where his sword would be, he sets out not only to find out what is causing the smell, but also to eliminate it. Can he solve the mysteries hidden in the forest and win victory over the smelly fog? Esta colección de libros vividamente ilustrados para lectores principiantes incluye cuentos sencillos pero llenos de imaginación que ofrecen un recurso lúdico: siguiendo la lectura, el protagonista y el lector tendrán que resolver unos enigmas para llegar al desenlace. Cada libro incluye un marcador de libro que incluye un enigma que los niños podrán resolver. El reino del padre del joven príncipe Bernardo ha sido invadido por una niebla de olor terrible que esta lentamente matando a todas las plantas y expulsando a todos los animales. Mientras sus hermanos mayores salen en búsqueda de países que podrían invadir o de aliados que los socorren, Bernardo pasa por la cocina en búsqueda de la longaniza más larga que pueda conseguir una de sus comidas favoritas y un buen remedio para el mareo. Con la longaniza en la funda en lugar de su espada, sale solo para averiguar cuál es la causa de la peste, sino también para eliminarla. ¿Podrá resolver los enigmas que se esconden en el bosque y salir victorioso sobre la niebla apestosa?
