

Aligned: Volume 3

Hes alive. I don't know how, but hes standing here in the doorway. A torn piece of green silk sticking out of his pocket matching the fabric that I carry with me everywhere to remember him. My heart has been torn in two. I don't know who I'm supposed to love. A man that has stolen my heart or my husband who I thought was dead. -- Hes fucking alive. That can't be possible. I found someone I could finally love. Someone I want to spend the rest of my life with. But I can't love Alex. Not now. I have to let her go. Its the only way I can save her. I just hope I'm strong enough to save myself. Aligned is a 4 part series that is a little bit dirty and grows darker with each book. Each book ends on a cliffhanger. All 4 parts now available.
