

# And Fire From His Mouth Devoured: Biblical Backup for Traditional Marriage

Small Bible verse reference booklet listing verses referring to homosexuality, marriage, and the true meaning of the rainbow. From Genesis to Revelations, there are many verses that address sexual immorality and homosexuality, and no where is it condoned, but rather, it is warned against, and in some places, God has referred to it as an abomination before Him. Those who claim that Jesus would approve of gay marriage simply dont know Jesus at all, but rather, they speak from their own authority, not scriptural authority. This book has no commentary in it, except perhaps in the heading choice of words, and this book is small and is intended to be handed out to those who may want to know what the Bible really says about the subject. The title of the book is from Psalm 18, indicating that fire comes from the mouth of God as his Word, burning up all that exalts itself against his wisdom and power and authority.
