

Arkivoc 2005 (I) General Papers

ARKIVOC (Archive for Organic Chemistry) is a peer-reviewed journal for original research papers, accounts and reviews in organic, physical organic, bioorganic and organometallic chemistry which has been published online since January 2000. It is now to appear in a printed edition, which will be priced at an economic level in keeping with the spirit of the journal, which is to provide a medium for the publication of quality research in a format readily available to all worldwide.
