

Beyond All Reason (Wide Open Spaces) (Silhouette Intimate Moments)

With two young sons to look out for and her vengeful ex on their trail, Kate Quinn thought the Circle S looked like the perfect place to hide out. They could build a new life, a safe life. And if love never came her way, so what? But she hadn't counted on Tanner McCall, the intimidating half-breed who ran the ranch with an iron fist--and a closed heart. Something about Tanner got to her, making her dream of love under the stars and becoming a family at last.
