

## Illusions (Silhouette Intimate Moments)

SECRETS... The call from Washington was an unwelcome intrusion in the orderly life Jill Holmes had arranged since her last--and final--assignment. But no one ever walked away from the Agency. They needed Jills special talent once again, and they were calling in her debt. But when she arrived at Matthew Grants penthouse as the conservator hired to restore his damaged watercolors, Jill nearly blew her cover. This was the man suspected of selling government secrets? The man she had to watch? Suddenly the line separating illusion and reality became a passionate blur in the complex--and dangerous--world of the most devastating man shed ever known.
