

## The American Ephemeris and Nautical Almanac for the Year 1913 (Classic Reprint)

Excerpt from The American Ephemeris and Nautical Almanac for the Year 1913 The character of the matter contained in this issue of the American Ephemeris and Nautical Almanac, and its arrangement, are practically the same as in the preceding volume, that for the year 1912, excepting that ephemerides for observations of certain physical phenomena of the Sun and Moon and of the planets Mars and Jupiter, have been inserted in Part III. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
