

Lisa Lovely and the talking chinchilla (Volume 1)

Lisa Lovely is a young girl with a vivid imagination and too much time on her hands. When she decides to make a walk in the forest, she's confronted with a strange animal that seems to be able to talk. Unfortunately, she is not the only one interested in such a rare specimen and both Lisa and her new friend Tequila, the chinchilla, get themselves kidnapped. Who can save them? And how do a house ghost and a lost wedding ring fit in with all of this? Sit back and find out in Lisa Lovely's adventure, *The Talking Chinchilla*. It's a funny, imaginative tale, perfect for late-night reading with or without parents. A book to be read over and over again.
