

Charlotte the Sunflower Fairy (Rainbow Magic)

The Petal Fairies have a very important job - together with their magic petals they help to make sure that flowers grow and bloom in the human world. But after Jack Frost sent his goblins to steal the magic petals in the hope they would help to grow flowers in his cold and dreary ice castle, the petals have ended up scattered in the human world. Rachel and Kirsty must help the Tia the Tulip Fairy, Pippa the Poppy Fairy, Louise the Lily Fairy, Charlie the Sunflower Fairy, Olivia the Orchid Fairy, Danielle the Daisy Fairy and Ella the Rose Fairy to find their magic petals before the goblins get their hands on them. But this time Jack Frost has given the goblins a wand to help them - he's determined to get those petals before the fairies do, whatever it takes! This time, Rachel and Kirsty are set for an adventure - they must help Charlotte the Sunflower Fairy find her magic petal, in the middle on a Sunflower Trail!
