

Romance and Misconceptions (Bookstrand Publishing Romance)

[BookStrand Contemporary Romance] Marnie and Melissa Hansen are identical twins, but they are totally opposite. Marnie loves anything artsy fartsy and dreams of marrying a passionate struggling artist someday. She can't stand businessmen, referring to them as suits, and she doesn't mean it as a compliment. Melissa, on the other hand, dreams of a family and a white picket fence. The American dream. Mostly she dreams of a future with her boss, David Bowman, who is most definitely a suit and does not want the American dream. Jared Collins is a friendly business rival of David's. When Jared's young, impressionable gardener, Shane, overhears a conversation, he decides he needs to take revenge on behalf of his boss. Shane's not the sharpest tool in the shed, but he means well. That small misconception is what changes the lives of all of these people, including the beautiful caretaker of Jared's lodge and her daughter, Abbie. ** A BookStrand Mainstream Romance
