

Cowboy Payback (A Sequel to Cowboy-Fiance)

Former Marine Captain Brett Brennan loves a good practical jokewhen hes the prankster not the prankee. Unfortunately, his twin brother has learned a lesson or two from the master and springs Operation Payback on him, thrusting Brett into a fake engagement to his former corporal, Trisha Jennings, in front of her matchmaking, District Attorney father. Relationships are so not his thing, but realizing Trisha is struggling to come to terms with a horrific incident from their recent deployment, Brett takes matters into his own hands, using their fake relationship to keep her on his familys resort ranch, the perfect place for her to find peace and heal. After all, he would never let one of his own men down.

Except, Trisha is no longer a corporal under his command. Out of uniform, she is all woman, and his unexpected attraction to her soon has him forgetting their prank relationship is only for show. Who knew payback could be so sweet?
