

Discovery Girls Guide To: My Worst Day...and How I Survived It (Discovery Girls Middle School Survival Guides Book 4)

Hannah was teased at her new school for being small. Aubrie's best friend said she was too weird to be seen with. Camille got in big trouble for pulling a prank on a teacher. Morgan and her mom were robbed at gunpoint. In these amazing true stories submitted to Discovery Girls magazine, real girls share how they overcame their private struggles with friends, family, and themselves. In these stories, girls will find comfort, encouragement, and inspiration--and the confidence and resilience to handle even their most difficult times. Best of all, girls will learn that whatever life throws at them, they are never alone.
