

Dont Date a Dud!: The 9 questions you must answer to know youre with a keeper

Choosing a life-partner is arguably one of the most impactful decisions on both personal and professional success. Do you know the qualities that will make your relationship sizzle for centuries or will it sink like a submarine? Relationship guru, Victoria Lowery, is known as The Love Lady. She has studied relationships from inside the corporate world and into private practice. In 2010 something called The Yes Test, along with The Agreement List, both forced their way into her head. Without questioning what or why, she wrote these things down. Soon they proved to be the clearest guide to lasting love. She added her own personal experiences and over 5 years of research to provide this insightful and essential map to relationships that bring power and joy. The majority of results come from the Yes Test. This is 9 questions answered with a yes or a no - yes your relationship has this quality or no it does not. Nothing complicated. Exercises are included to help insure accuracy and understanding. Dont Date a Dud provides: - the knowledge needed to form and sustain optimal partner relationships. - relief from commitment doubts. - insight to deepen your connection. - marriage preparation. - identification of trouble spots. - a test that serves as a happily ever after insurance policy. - awareness that will advance friendships and co-worker relationships too.

My hope and wish is that one day, formal education will pay attention to what I call education of the heart. Just as we take for granted the need to acquire proficiency in the basic academic subjects, I am hopeful that a time will come when we can take it for granted that children will learn, as part of the curriculum, the indispensability of inner values: love, compassion, justice, and forgiveness. ~ Dalai Lama (Tenzin Gyatso, His Holiness the 14th): The best use of life is love. ~ Rick Warren Affection is

responsible for nine-tenths of whatever solid and durable happiness there is in our lives.~ C.S. Lewis Most joy in life comes from relationships, as well as most sorrow. ~ Victoria Lowery (The Love Lady)
