

A Friend for Ellie

Ellie just wants to play, but in a whole zoo full of animals, nobody wants her around. A small voice comes from behind a tree and suddenly, there's a friend for Ellie! This book was developed for kids, by kids. Three seventh graders in a program called KidZ Write worked under the guidance of children's author, J Monkeys, to create, write, edit and illustrate this book. KidZ Write is one of the many activities included in Afterschool Adventures, a program administered by Educational Resources for Children, Inc. Take a peek inside and see the amazing creativity of these kids.
