

Evans Heaven

Actor MacAlester Kerr wanders into a whole new world of pampering and pleasure when his director sends him to Evans Heaven for a pedicure. When Mac meets the spas owner, Evan York, he finds himself head over heels and up to his eyebrows as Evan spoils him like no one ever has before. Whether its a paraffin manicure, an herbal body wrap, or even a sugar waxing, Evan makes every treatment special with his own brand of kinky accompaniment. But when Mac wants to take things farther than Evan ever expected, will it lead to trouble in paradise?
