

Witch Ever Way You Look At It

Do you have the perfect life? Annie does. The perfect friend. The perfect business. And the perfect grandmother. She doesn't need anything else, and certainly not Mace Anderson, the too-clever-for-his-own-good new neighbour who has moved into Honeysuckle Cottage. Unfortunately, Annie's grandmother isn't of the same opinion and has decided to use her craft to spell the enigmatic Mace to fall in love with her granddaughter.
