

Deuteronomy: Becoming Holy People (Lifeguide Bible Studies)

Do you long to experience Gods presence in your life? In this study guide Stephen D. Eyre leads you to explore the story told in Deuteronomy--the story of Gods people seeking after him. As you trace their journey, experiencing their forward progress, their detours and their obstacles, you, too, will learn to follow God more closely. This revised LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection, together with expanded leaders notes and a Now or Later section in each study.
