

Fern Michaels Collection 3: Listen to Your Heart, What You Wish For, and Plain Jane

Listen to Your Heart (Narrator: Joyce Bean, Director: Sandra Burr, Engineer: Melissa Coates): With her parents gone, her twin sister, Kitty, about to be married, and no hint of Mr. Right on the horizon, Josie Dupre is lonesome. Luckily, she has her booming New Orleans catering business, and her fluffy white dog, Rosie, to keep her company. Then, a jumbo-sized Boxer destroys Josies flowering windowboxes, and in the process, brazenly captures petite Rosies undying devotion. Josie finds herself an unwilling chaperone - and doing her best to avoid Zips owner, the irritatingly appealing Paul Brouillette. What You Wish For (Narrator: Laural Merlington, Director: Laura Grafton, Engineer: Jill Sovis): If her abusive husband had not tried to kill her and her beloved dog, Helen Ward might never have left her million dollar home and run far away. When she meets college professor Sam Tolliver, she begins to believe fairy tales do come true. But the past is catching up with Helen - and her fear is growing. Soon, shell have to face the biggest decision of her life. Plain Jane (Narrator: Laural Merlington, Director: Sandra Burr, Engineer: Jill Sovis): Back in college, plain Jane Lewis would have given anything to be like homecoming queen Connie Bryan. Today, a lovely and confident Dr. Jane Lewis has a thriving psychotherapy practice, her own radio talk show, a beautiful old Louisiana mansion, and her affectionate, nutty dog, Olive, to keep her company. But Jane has never forgotten Michael Sorenson, the boy she had admired from afar in college. Shes also never forgotten the brutal, unsolved attack that ended Connie Bryans life - and that haunts her still.
