

## The Company Pier

After a company conference in Vegas, apparent opposites Constello Connie Coujoe and Raymond Wilson discover there is much more to each other than theyve allowed themselves to see. But nothing is simple in love, and life faces with many challenges as they walk the path of self and respective discovery. Will Connies faith be enough and her ordeal become a force for change among her friends and family? Will Raymond realize love cannot be ordered as business before it is too late?
