

## Husband Material

Husband Material is a long-running reality show, where eighteen lucky guys compete for the hand of one lucky lady. Meet contestant number one, Riley. Since being left at the altar, hes hit the gym to get into the best shape of his life. Now hes in it to win it. Contestant number two, Asher, doesnt really want the bachelorette; he needs the prize money for his sisters cancer treatment. Ashers upbeat personality brings Riley out of the funk hes been in since his breakup. They make a formidable team, with one complication: Ashers falling for Riley. Producer Kaitlyn has her hands full when two bachelors are found in the shower soaping up inappropriately, then another live-tweets the entire debacle. If another scandal erupts, the network will cancel the show. The two bachelors are on a collision course under the watchful eye of a producer torn between wanting them to find true love and trying to keep her show going. In the end, Riley must choose the bachelorette or the bachelor.
