

Carb-Down, A Holistic Approach to Permanent Fat Loss

A new look at an old problem. In his new book, diet and fitness expert, Jon Britton, walks you through a holistic approach to getting rid of unwanted body fat. With sections on: - carbohydrate cycling - exercise - motivation - eating plans - recipe guidance This new book provides an easy to understand approach to fat loss with no need to count calories! Simple, straight forward and easy to apply in real-life situations, this is the plan youve been looking for. Give it a try, youll be glad you did! Great feedback for Carb Down just thought Id drop a line to say that I am on week 6 of your diet, and to date have lost exactly a stone wanted to say a big thank you I love the style you have written in. It is perfect for this genre and it is very easy reading and accessible a sympathetic conversation by someone who can help
