

Get To Know God Before You Go: Guide To The Benefits Of A True Personal Relationship With God

JESUS LOVES YOU JUST THE WAY YOU ARE. I DONT CARE WHO OR WHAT YOU ARE OR WHAT YOU DO. He just wants you to love him back. HE IS OUR FATHER. People tend to think that GOD only loves church people and praise people but that is so not true. JESUS USED TO HANG WITH sinners thats why they hated him so much. Doesnt matter your religion, cult or whatever. its the same BIG LOVE. This is good, sound advice. We dont hold the key to our life, have no say in the matter. The candle can go out anytime. Once you go, its over. There is no going back and fixing it. We get only one SHOT so make it good while there is yet time, while you are here - NOW. When ITS over, THATS IT! A personal relationship With God is what counts! It is extremely important for life now and beyond. God wants that with all of us. Its good to know about God. It is powerful to know God; To experience true intimacy with him. To realize the manifestation of true communication because of shared closeness. However, it is impossible to know God out of a personal relationship, you know, the kind of relationship that is unique and known only by the two people involved, together. Each relationship is different and special in its own right. When something is personalized it is no longer ordinary. It becomes extraordinary with attributes designed and crafted exclusively to that dynamic. Thats how it is with Gods Love, once youve experienced it. Its Wonders of Wonders, Miracles of Miracles when an individual enters into a Personal Relationship with the Master. He is able to turn things around, and he does. He makes the impossible possible and makes a way where there is no way. What is spectacular about this is when you know God in a personal relationship you have the distinct freedom to call on him at anytime without reservation or guilt. He knows you

and you know him. For I know my sheep by name. They call me and I answer. That's the ultimate closeness of knowing that the Holy God recognizes you personally in your moments of joy or sorrow in good times or bad - your shelter in the time of storm and your assurance that you are never alone. It's those events that cause you to say, I don't believe it, when there is an occurrence that is simply jaw-dropping. And is Oh, So Real. The only thing left is for those who don't know to try it and see. Everyone you know including yourself is covered under that Amazing Blanket of Love and life is never the same.
