

Husband Under Construction

When her life went topsy-turvy, Roxie Ducharme sought temporary refuge in the small New Mexico town shed left years before. But as she plunged into renovating her uncles home as an antidote to heartbreak, she faced an unforeseen obstacle: contractor Noah Garrett--still as alluring and unattainable as hed been years before.Noahs love-em-and-leave-em exterior belied a hardworking, responsible man...one who made every inch of Roxies skin prickle with desire. And to Noahs surprise, Roxie haunted his every waking moment. But Noah had no desire for the white picket fence, the house, the kids of Roxies dreams. Could he come to terms with happily ever after--before Roxie left his life forever?
