

## Confused (at the conference): Chasing Cameron 1

Cameron Prior knows himself pretty well - hes quiet, unassuming... and straight. Just an ordinary guy. Chase Griffith is none of those things. At first Chase uses his good looks and arrogant smirk to show Cameron up at a work conference. Then he sets his sights on Cameron himself. Now Cameron is looking to prove something to himself and to Chase - but it may be that Cameron doesnt know himself as well he thought. With a hotel room, an expensive bottle of Scotch, and two great-looking men, anything could happen. Chasing Cameron is a four part novella series.
