

Let Me In

Hes bringing anything but peace and quiet. . . Tate Winslow is done with all the guns, the adventures, the brushes with death. All she wants is to be left alone. So when her enigmatic ex-boss shows up on her doorstep barely alive, she really tries not to care. Hes all alpha male, the baddest of the bad--and a threat to her hard-won peace in more ways than one. Tate is the only lead Derek Cole has on a case that could blow the intelligence world apart--if it doesnt kill him before he can figure it out. She was his best agent, but shes in hiding and hes gone rogue, and hes starting to think of her in a very nonprofessional way. In fact, he wants Tate like he wants his next breath, but hes already risking his life and his career. . .does he need to put his heart in danger too?
