

Living Spiritual Rhythms: Book 3

A blend of anecdotes, stories, poems, and prayers that call us to reflection and redemptive action. Neither a boring sermon, nor a surface-level feel-good list of devotions, Gregory J. Laughery takes us on a journey through a constellation of thoughts and emotions including joy and sadness, trust and suspicion, courage and fear, love and justice. Living Spiritual Rhythms develops a picture of life lived in community with God and others, opening up new directions for Christian spirituality.
