

Arthritis

Arthritis -the successful plan for a pain-free life. Users of this diet book speak so much more eloquently than we can. Heres what they say. For me, your book has changed arthritis from a random curse to a rational condition with predictable characteristics which can be avoided. I want to thank you personally for the difference your book made to my life. Dr. Scala, I am so happy. I feel like shouting and letting the whole world know of my experience with your diet. My attitude towards life is completely changed because I feel like a new person. I suddenly noticed a dramatic relief from my pain. Within two weeks I put my walking cane away!
