

Cooking with Ergot

When kitchen witch Dominic Abernathy learned that a hunter would be on his cooking show, he decided to take a page out of his enemys cookbook and hunt him.His plan: learn more about Carter Brooks.The result: protecting Carter against the man whod followed and killed in his stead.Filled with a dark humor only a witch could love, Carter was nothing like Dominic had imagined. He also didnt believe in magic. Dominic must now balance his growing feelings for Carter as well as protect him from the hunter whod like Carter to join him.
