

Mapledale: The Learning of the Legend

Join a band of Five close Christian friends as they stumble into an unexpected adventure right in their own small town of Mapledale. It all begins as a normal Sunday morning until The Five are introduced to a new comer to the church who appears not only out-of-nowhere but, also with his own version of local history and a rare artifact to back up his claim. Suddenly, driven by their own curiosity, The Five, with help from several dynamic neighbors, find themselves thrust into a journey of fact finding which revives an old legend involving conspiracy, sinister motive and good vs. evil. Join The Five in their journey of Christian faith as they rely Gods Word, their own friendships, their families, the community and good old fashioned wit, humor and common sense to unravel and learn the Mapledale Legend.
