

MasterLife: Developing a Rich Personal Relationship with the Master

The MasterLife series is now all in one! The four six-week studies in the series are all designed to revitalize Christians -- enabling them to make Christ the master of their lives -- and to master their own lives by developing a personal, lifelong, obedient relationship with Him. This remarkable study guide is divided into four complete and distinct parts. The Disciples Cross, instructs Christians to practice the six biblical disciplines of a disciple. In The Disciples Personality, they are taught to live in the Spirit and become more like Christ. The Disciples Victory depicts the loyal Christians triumphs over the world, the flesh, and the devil. Finally, Christians are asked to look within themselves and identify their stage of growth and role in ministry in The Disciples Mission.
