

Merry Christmas, Babies (Mills & Boon Vintage Superromance) (Silhouette Superromance)

Business hotshot Elise Richardson is successful, beautiful, single and her biological clock is clanging like a church bell. So independent Elise takes matters into her own hands and now she's pregnant with quadruplets! Her business partner and best friend, Joe Bennett, can't believe she's going to be a mom times four! There's no way he's ready for the chaos of parenthood. Being one of seven children has taught him that much. But now that Elise's doctor says she shouldn't be home alone, Joe's ready to move in. Strictly as a friend, of course. At least until Christmas
