

Murder in Sun City

CHRISTIAN BOOKMOBILE NOVEL
No. 5 Sun City is typically calm until Liz shows up in her red double-decker bookmobile and starts cruising. When she finds one of her patrons dead, the police call it an accident and a day but Liz has her suspicions and isn't about to give up. Lieutenant Bratton has met his match. James Jones is a Vietnam War veteran who continued to fight the battles long after the war ended and everyone went home. His encounters are mostly in his head today, but if the military took senior citizens, he'd sign up without batting an eye. Combat was what he did best and he is lost without it. Now, as a soldier of fortune, James ends up in Sun City also. This is the story of what happens when Liz and James cross paths.
