

Sex and the Single Zillionaire: A Novel

Much to his surprise, and the chagrin of his Wall Street partners, Steven Hudson, a very wealthy widower, agrees to appear on the new reality show Trophy Bride. Plucked from his lonely Central Park-view penthouse and dropped into a frothy mix of stunning models, actresses, and athletes, Stevens sober life quickly veers out of control. Lured from his solitary existence by Jessica James, the smart and sexy producer of Trophy Bride, Steven is smitten and plays along with the TV madness to stay close to Jessie, taping dates on his fabulous private jet, the breathtaking slopes of Vail, and his incredible yachtstruggling to show Jessie that hes more than just a zillionaire. But with an engagement ring on her finger from her hot young fiance, is Steven too late? Funny, sexy, and at times deeply moving, this debut novel has made waves in bedrooms and boardrooms all across the nation.
