

# Shut Up and Do the Work: The entrepreneurs guide to creating massive success

Shut Up and Do the Work is the ultimate guide for experienced entrepreneurs, new entrepreneurs and those with dreams and ambitions of entrepreneurship, who know without a doubt that they were born to do more, be more and have more, yet they cant seem to grab it. In this book, entrepreneur, business coach and speaker, Stephanie Synclair shares: The secret formula that she, her clients and other self made millionaires have used to create massive success. The steps to getting unstuck The reasons why the hustle mentality alone does not work and what it should be combined with to see the results you desire. Why regardless of how you were raised, your environment or current circumstances, you too, can create wealth And this is just the tip of the iceberg of what you will learn inside of Shut up and do the work. It is a transformational gift that will leave you transformed.
