

Medley of Strength

In Medley of Strength: How to endure through it all, the author teaches the believer vital keys in not only being victorious, but also how to help others go through the pit, through the prison, and into the palace; God has prepared for them. This author tells the world. He took me there to bless me, and others. Medley of Strength is a must read for courage, insight, and hope that God is indeed up to something big in our lives, regardless of the process.
