

## Strangers on a Train: Nancy Drew Diaries, Book 2

Dear diary... The good news: Bess, George, and I are on a train bound for Denali National Park, gazing at majestic Mount McKinley as we speed along. Its truly awesome! The bad news: Someone - a creepy passenger or a disgruntled employee? - is still causing major trouble on the Arctic Star cruise ship, and now that were sightseeing on land, the danger has followed. Whoever it is has got even me in their sights - but Ive been working undercover, so I have no idea how anyone discovered Im a detective. With every step I take, Im looking over my shoulder. The 49th state sure is proving to be treacherous territory.
