

Understanding the Benefits of Mankind

Amazon Best Selling Author In Understanding the Benefits of Mankind, Jimi Akanbi discusses seven crucial principles from Gods perspective: money, marriage, time, sex, power, materials and life. These seven principles given to man by God can become curses if misapplied. Jimi shows you how to align your ways with God by following these seven principles. Life can be a battle, millions of people around the world struggle on a daily basis, but with the help of this book, people who are struggling can see the light at the end of the tunnel. By reading this book, people who have problems in their life will learn how to turn the negative problems into positive solutions. Now its your turn to: 1. Live an extraordinary life. 2. Touch the heart of God. 3. Enjoy the blessings of God. 4. Receive fullness of joy. 5. Arm yourself with Gods Word.
