

Rosemary Cottage (Hope Beach)

Amy came to Rosemary Cottage to grieve, heal, maybe even find love. But there's a deadly undertow of secrets around Hope Island . . . The charming Rosemary Cottage on the beach offers Amy Lange the respite she needs to mourn her brother, Ben. She's even thinking of moving her midwife practice to the Outer Banks community. It's always been a refuge for her and her family. She also wants to investigate Ben's disappearance at sea. Everyone blames a surfing accident, but Amy has reason to wonder. Coast Guard officer Curtis Ireland has lost a sibling too. His sister, Gina, was killed in a boating accident, leaving him to raise her infant daughter. If anyone knew who little Raines' father was, Curtis could lose his beloved niece. Yet he can't help being drawn to Hope Beach's new midwife, Amy. He even agrees to help her investigate. Can two grieving people with secrets find healing on beautiful Hope Island? Or will their quest for truth set them at odds with each other and with those who will go to any length to keep hidden things hidden?
