

This Is Our Song (The Shaughnessy Brothers)

New York Times and USA Today bestselling author Samantha Chase crafts a tender, hopeful family-centered romance. She knows him by reputation. Riley Shaughnessy knew that to stand out in his large family, he'd have to go big. Making a name for himself as a musician wasn't easy, but he followed his dreams to rock-star success. But the relentless expectations of fans is not helping the slump he's in now. So of course the person who attracts him is the woman who is not impressed by fame. Which gives Riley Shaughnessy a lot to prove. Entertainment reporter Savannah Daly is completely unfazed by pretty-boy rock stars. She's just here to get her interview and write her story. But spending an entire month with the Shaughnessys is going to show Savannah a side of Riley she never could have guessed.
