

You Say Tomahto and I Say Youre Dead (An Olive Branch Mystery Book 4)

Part Four of the Olive Branch Mystery, a time-continuum series. Pone and Bean have found a girl (its not the first one), but it disappears from the compost pile on the Hunnicut estate before the police can get there. Where did she go? Who killed her? Was she a dead prostitute, or was she just a girl in the wrong place at the wrong time? Looking for a corpse that has taken a hike is no easy task--that is, until a trip to the hydroponic vegetable operation yields more than tomatoes! The Olive Branch Garden crew finds teamwork is a must when they're one player down, and searching for clues is no easy task when you're up against the money and power of the Hunnicut family. But what the heck is up with Cash, and whose team is he playing for?
