What would you give to save the one you love ...Ayden Stone and Elizabeth Parker are soul mates. They have played at love, succumbed to the magnetic pull of destiny and forgiven themselves and each other for misadventures in life and love. Now they must look to the future and forever, bearing the scars of battles they have fought and won, together. To keep a promise one of these fateful lovers must make an agonising choice and dedicate themselves to an impossible task; to embark upon an adventure filled with magical moments and unforgivable acts of personal sacrifice. But ... with self-sacrifice comes betrayal. TouchStone for ever is the culmination of an epic love story written in the stars, involving a contemporary princess and her charming Prince. Experience blazing passion, the anguish of a breaking heart and every emotion in between as Beth Parker shares her thoughts and feelings about love, life and her desperate wish for her happy ever after. Sleeping Beauty has been awoken from a great sleep but, sadly, not all fairy-tales have a happy ending ... not even when you belong together, for ever and you're prepared to give...Everything!
