

Bouken

Bouken is the creation of Japanese author Yuka Nakatsuji and Australian illustrator Brendan OConnor. This picture book takes young readers, on a journey, across the sea and through deep dark forests. Teaching them the values of courage and friendship while also helping both Japanese and English speaking children learn and study the opposing language. So if you are courageous, adventurous and love to have fun, put your reading hats on, and step into the world of Bouken!
