

## Web of Deceit

FBI Special Agent Colton Brady is an important person in Kalliope Winterss life. Hes been her savior, pulling her out of the darkest of days and rescuing her from herself on more than one occasion. She trusts him implicitly, but hes hiding something, and it may cost them their lives. A cracked serial killer obsessed with Kalli is stalking her. Shes completely unaware of this until she wakes up painfully zip-tied to a chair, severely beaten, and close to death. Now she has to rely on Jaxxon, Coltons twin brother, a man shes craved since adolescence, to keep her safe. Jaxxon is moody, arrogant, and bossy as all hell. His demeanor is as lethal as his sinfully good looks and he will stop at nothing to keep his current assignment, Kalli, alive. But Jaxxon is also lying to her.
