[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, werewolves, HEA] Omega wolf Cameron Martin has finally been given the one thing he wants most. His mate, a dragon shifter, is finally going to give the both of them a chance they deserve at having a relationship. Cameron cant be happier to finally be allowed into his mates life, but a new problem arises when, during their first time having sex, Iver accidentally poisons Cameron with his dragon power. Cameron is all right, but now Iver believes hes not safe to be around his mate. But Cameron wont take this lying down. Iver Mitchell is his mate, and Cameron intends on making a pest of himself to prove it. He wont back down and he wont run away, not like before. And no matter what the risk, he wants to be there, and kiss Iver as much as possible, until Iver relearns how to control the gift he uses to protect the clan, and everyone in it.
